Overview

The Ecotech Marine Reeflink model BR10 contains two previously certified radio modules, a Qualcomm Atheros 802.11 b/g/n radio FCC ID PPD-AR4100 and an EcoTech Marine radio FCC ID: VKB271829. The BR10 device will use the 802.11 b/g/n radio to communicate with the internet and the EcoTech Marine radio to communicate with other EcoTech Marine products.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
